Mr.Bhagwat for applicant.

P.C. :

1. As the order which is impugned in this Revision Application is a discretionary order passed by the Court below as back as on 15th January, 1999; coupled with the fact that I am informed that the suits which were restored to the file have been progressed further thereafter, and now ready for recording of evidence. I see no propriety in interfering in this revision application. Accordingly, this revision application is dismissed with observation that the trial court shall dispose of the two suits which are restored to the file by the impugned order expeditiously preferably by end of December, 2006. The trial court shall ensure that no adjournment is granted on any count and the trial should proceed on day to day basis, so as to ensure that the suits are disposed of within the specified

time as the same pertain to year 1989.
